

# School Support Services Program Section Update Instructions

Below are instructions for how and where to plug in installation-specific content into the new School Support Services Program section.

## Finding a School Page

- 1) Please add the links to the districts in your area to where the placeholder content is here:

integrate into their new environment.

**Why It Matters:**

Relocating to a new school after PCS can be overwhelming for both parents and students. SLOs serve as trusted advisors, offering personalized guidance and resources to ensure families feel supported every step of the way. Their expertise helps military-connected students transition smoothly, maintain academic progress, and thrive in their new school environment.
