# Instructional Programs Program Section Update Instructions

Below are instructions for how and where to plug in installation-specific content into the new Instructional Programs section.

Enrollment Page

The enrollment list and content contain placeholder content that can be edited to fit the local installation:

Affordable Access and Easy Payments Page

Please include any specific payment information at the bottom of this page.

Here's what to know before enrolling:

» First month's fee is due at the time of enrollment.

» Payment is required before your child can attend class.

» Installment billing is available for added convenience.

» If a class is canceled by CYS or the instructor, a make-up session is typically offered.

» Refunds or transfers may be approved if a class doesn't meet minimum enrollment.

These simple policies help families plan ahead and keep classes running smoothly for everyone.

Resources Page

Include additional requirements and links to form in the list and then delete the placeholder prompt.

worldwide and request care from any location.
